

School District of Superior
**2010 Summer School
 Bus Schedule**

On the following pages you will find the school bus schedule for the 2010 summer school sessions.

*** All district students attending summer school are eligible for school bus transportation.**

Please Note**

All bus stop (**Landmarks**) times are approximate and may be adjusted due to special needs or the stop itself even eliminated through the course of the summer.

All routes will be identified by a graphical symbol making it easier for younger children to recognize the bus they should ride. The graphic will appear in the window of the bus behind the bus door. At the top of each route listing there is an image that will be used on the bus to assist you in helping your child learn which bus to ride.

Extended School Day programs at Lake Superior & Northern Lights are suspended for the 2010 Summer School.

2010 Summer School classes will start on Monday June 21st. Superior Middle & all elementary schools summer classes will end on Friday July 16th. Superior High Summer School will end on Friday July 30th.

Below is a table of start and dismissal times for all summer school buildings for 2010.

The times reflect a 20-minute addition to the end of the day to accommodate lunch service.

All bus times will be based upon that lunch schedule.

If you have questions about school bus routes, please contact the Transportation Department at 394-8706 or e-mail at tom.geisler@superior.k12.wi.us.
